LAST UPDATED ON August 16, 2016.

THESE SMARTMUSIC® TERMS OF SERVICE ARE LEGALLY BINDING. IF YOU ACCESS OR USE THE SMARTMUSIC SERVICE IN ANY MANNER, YOU AGREE TO BE BOUND BY ALL OF THE TERMS AND CONDITIONS OF THIS POLICY. IF YOU DO NOT AGREE TO BE BOUND, YOU MAY NOT USE THE SMARTMUSIC SERVICE.

This SmartMusic® Terms of Service ("Agreement") governs the terms of use of the SmartMusic® music education service and all related features/services ("SmartMusic service"). This Agreement becomes effective when you click the "I Accept" button and when you access or use any part of the SmartMusic service.

1. **Background & Purpose of this Agreement.** MakeMusic, Inc. ("MakeMusic" or "we" or "us") provides the web-based SmartMusic service to end users, who include individuals, schools, students, educators and others ("you, user"). This Agreement is intended to protect MakeMusic’s rights in its proprietary software and related services and features. It also sets forth the restrictions and permissible uses of the SmartMusic service by others. MakeMusic is providing you with access to the SmartMusic service only in accordance with the terms and conditions of this Agreement.

2. **SmartMusic Service Defined.** In the context of this Agreement, the “SmartMusic service” refers to the web-based SmartMusic service offered to users accessible at admin.smartmusic.com/login and any related downloadable applications that allow for online accessibility to the SmartMusic service. This Agreement does not apply to the classic SmartMusic downloadable software program that must be installed on a user's computer.

3. **Revisions.** From time to time, MakeMusic, Inc. may change the terms of this Agreement. If we make a change to this Agreement, we will post a notice on the login or homepage of the SmartMusic service. Changes will also appear in this document, which you can access at any time via www.makemusic.com/terms-conditions.

4. **Service Provided.** Subject to and conditioned on your compliance with the terms and conditions of this Agreement, during the Term, MakeMusic will use commercially reasonable efforts to provide you and any of your authorized users with access to the SmartMusic service.

   a. **Account Requirements.** To establish an account, you must set up an account, select your access level and payment terms through SmartMusic. You may not
access the SmartMusic service until you create and verify your account. You are responsible for all users under your account. You may not allow more users to access your account than allowed under your specific account.

b. **Computer Requirements.** You will be responsibility for your own Internet connection and information technology infrastructure (including computers, software, hardware, databases, electronic systems and networks) that are necessary to access and use the SmartMusic service.

c. **Credentials.** You are solely responsible for your user credentials of your SmartMusic service account and any other authorized users on your account.

5. **License Grant.** You may use the SmartMusic service solely for the purpose identified in your account registration and/or renewal process. If you would like broader rights than those granted in your subscription, contact MakeMusic for further permissions, if applicable.

6. **Ownership Rights & Confidentiality.** MakeMusic and, as applicable, its licensors, own all right, title and interest in and to the SmartMusic service, as well as in any related intellectual property rights. MakeMusic also owns all right to, title to and interest in any output or materials created through the SmartMusic service. MakeMusic reserves all rights that are not expressly granted herein. The SmartMusic service is considered confidential and proprietary to MakeMusic, and is provided only to authorized users.

7. **Trial Access.** If you access or use any version of the SmartMusic service designated by MakeMusic as “trial”, “evaluation”, “not for resale”, or other similar designation (“Evaluation Versions”), you may use the Evaluation Version only during the evaluation period and only for evaluation purposes. You may not use any materials, features or data provided in or through the Evaluation Version for anything other than non-commercial purposes.

8. **GRADEBOOK™.** Educator subscribers/users of the SmartMusic service may elect to use MakeMusic’s SMARTMUSIC GRADEBOOK™ services. Only one individual educator is authorized to use the SMARTMUSIC GRADEBOOK™ service per teacher slot of the SmartMusic service. Educators responsible for grading individual students must obtain their own slot to the SmartMusic service. Classes that are taught by multiple educators can share access to the SMARTMUSIC GRADEBOOK™ service.

9. **Free and Premium Access.** Creating a free SmartMusic account gives you access to the limited catalog of free SmartMusic content which can be played, performed, assigned,
and graded. To access the full catalog of SmartMusic content, you must purchase premium teacher slots and/or premium student slots or subscriptions by contacting SmartMusic Sales and Support.

a. **Fees and Payments.** The fees for your premium subscription(s) will be billed to you via your authorized credit card or via an invoice. You agree to pay or have paid all fees and charges, including any applicable taxes incurred in connection with your account for the SmartMusic service premium subscriptions you select, at the rates in effect when you purchased. MakeMusic may change the fees and charges then in effect, or add new fees or charges, by giving you notice in advance. You are solely responsible for any fees or charges incurred to access the SmartMusic service through an Internet access provider, mobile service provider, or other third party service.

b. **Subscription Terms.** A subscription allows the user to use the SmartMusic service only after the user has been authenticated by MakeMusic. Term length and renewal depends on the type of subscription, user, or MakeMusic-specified attributes:
   i. "Teach Subscriptions" consist of teacher premium slot(s), student premium slot(s), or a combination of both and must be purchased by educators who are using the SmartMusic service for the purpose of teaching students as part of a Teach Platform. Educators may choose a term end date during the purchase process that is at least twelve (12) months from the order date. At the time of order, and at any time prior to the term end date, the educator can choose to have the subscription renew automatically each year until cancelled.
   ii. "Play Plus Subscriptions" can be purchased either by educational institutions and allocated to students so that they can access the full catalog of SmartMusic content outside of assignments from the school, or by students, the student's parent or legal guardian, or musicians who are using the SmartMusic service on their own. Play Plus Subscriptions may not be used to educate others. Play Plus Subscriptions have a term of either one (1) year from the order date or month-to-month. At the time of order, the purchaser can choose to have the Play Plus Subscription renew automatically each year until cancelled.

c. **Termination of Access.** MakeMusic may discontinue or change your access at any time, and you may terminate your slot or subscription at any time. If you wish to terminate your slot or subscription, please contact MakeMusic via one of the methods listed at the bottom of this document. If you terminate your slot or
subscription prior to the end of its term, you will not receive a refund for any reason. Your slot or subscription may terminate without notice if you breach the applicable use limitations for any of the access types described above or any other term of this Agreement.

By accepting this Agreement, you understand and agree that such information is sent to and processed by a United States entity and that your information is stored on computers in the United States or other countries.

14. **User-Created Content or Third-Party Content.** MakeMusic is not responsible or liable in any manner for any user-created content or content received from a third party used in connection with the SmartMusic service. You are responsible for determining that content you create or acquire from a third party for use with the SmartMusic service does not infringe on any works under copyright. You agree to hold MakeMusic harmless from and against any loss, damage, or expense, including court costs and attorneys' fees arising out of or in connection with any user-created or third-party content you use or distribute for use in the SmartMusic service.

15. **Use & Disclosure of Data.** MakeMusic and its agents may collect, maintain, process, use and disclose various types of data through the SmartMusic service. You hereby grant MakeMusic permission, at its option and whenever you are using the SmartMusic service, to access, review, analyze, gather, and otherwise use and disclose any information relating to your use of the SmartMusic service (herein, “Data Collection”). The MakeMusic Privacy Policy governs our Data Collection and is incorporated into the terms of this Agreement. It is your responsibility to read the MakeMusic Privacy Policy and understand how we collect and use information about Districts, Schools, Educators, and Students. You can view our Privacy Statement here: [http://www.makemusic.com/privacy](http://www.makemusic.com/privacy)

16. **Children's Online Privacy and Protection.** We care about protecting the online privacy of children. To view our complete policy, see the MakeMusic Privacy Policy at [http://www.makemusic.com/privacy](http://www.makemusic.com/privacy). We may collect certain information about
children ONLY for the purpose of providing our educational services through the SmartMusic service.

a. **Verifiable Consent.** MakeMusic does not knowingly collect any information from children under the age of 13 unless the school or teacher working with the student has obtained appropriate, verifiable consent directly from the parent or legal guardian for the student to use the SmartMusic service. **IF YOU ARE A SCHOOL, EDUCATOR OR OTHER PERSON/ENTITY WORKING WITH AN INDIVIDUAL UNDER THE AGE OF 13 THROUGH THE SMARTMUSIC SERVICE, IT IS YOUR RESPONSIBILITY TO OBTAIN AND VERIFY CONSENT FROM A PARENT OR LEGAL GUARDIAN BEFORE ANY CHILD UNDER 13 YEARS OF AGE MAY USE THE SMARTMUSIC SERVICE. PROVIDING A CLASS CODE TO A STUDENT UNDER THE AGE OF 13 OR CREATING AN ACCOUNT FOR A STUDENT UNDER THE AGE OF 13, WHETHER MANUALLY THROUGH THE SMARTMUSIC WEBSITE, BY IMPORTING A SPREADSHEET OF BULK STUDENT DATA, OR BY ANY OTHER MEANS, CONSTITUTES YOUR TACIT CONFIRMATION THAT YOU HAVE OBTAINED VERIFIABLE CONSENT FROM THE STUDENT'S PARENT OR LEGAL GUARDIAN.**

b. **Notification.** The new web-based SmartMusic service does not allow students who report themselves as under the age of 13 to create an account without consent from a parent/legal guardian; it is a violation of this Agreement for children to create an account by misrepresenting their age. If a student under the age of 13 creates an account in this manner and MakeMusic becomes aware of the violation, we will lock the student's account and send a notification to the parent, legal guardian, or educator identified by the student to inform them of the account and to provide them with information regarding their right to access and manage the data associated with the account.

c. **Providing or Withdrawing Consent.** MakeMusic allows parents and legal guardians to review information submitted by their children, and to request the removal of any information. Details on these procedures can be found in our Privacy Policy at [http://www.makemusic.com/privacy](http://www.makemusic.com/privacy).

d. **Schools that Act as the Parent's Agent.** Schools that contract with MakeMusic to provide the SmartMusic service for legitimate educational purposes only may consent to the collection of student information on the parent's behalf (see “Verifiable Consent” above) and may also request to review and/or delete a student’s personal information. Schools should consider making these same notices available to parents. As a best practice, the school or school district should make the decision to contract with MakeMusic rather than placing that responsibility upon individual teachers.
