

## GARRITAN CLASSIC PIPE ORGANS™ SOUND LIBRARY

### Long Description:

Garritan Classic Pipe Organs™ brings the power and majesty of the pipe organ into your studio, place of worship, rehearsal room, or home. This collection spans 400 years of organ building with instruments from the Baroque, Classical, Renaissance, Romantic, and Modern eras.

You can play music from the early music repertoire, Bach, lush romantic music, or post-modern music. Combine stops from different organs to create new instruments. Use Convolution Sampled Reverb to place any organ in a cathedral, concert hall, or other spaces for spectacular results.

The Classic Pipe Organs sampled sound library is powered by the high-performance ARIA Player™. Supports Mac and PC, works as a standalone program or as a plugin, and easily integrates with notation software.
