**MAKEMUSIC ANNOUNCES MANAGEMENT CHANGE**

*CFO and COO Karen VanDerBosch to Assume CEO Duties on a Interim Basis*

**Minneapolis – June 14, 2012** – MakeMusic, Inc. (NASDAQ: MMUS), a world leader in music technology, announced today that, effective June 15, 2012, Karen van Lith’s employment with MakeMusic will end and she will no longer serve as president, chief executive officer or a director. MakeMusic’s chief operating officer and chief financial officer, Karen VanDerBosch, will assume the CEO duties on an interim basis. The board of directors has initiated a search for a new CEO.

Robert Morrison, chairman of the board, stated, “On behalf of MakeMusic, I would like to wish Ms. van Lith the best in her future endeavors. During her tenure, MakeMusic made progress towards fulfilling its strategic direction, enhancing the company’s technology architecture, and extending its core product value into new product innovations and platforms. The MakeMusic board of directors remains committed to this strategic direction. MakeMusic is positioned to take advantage of the exciting opportunities that new technologies are opening up in the field of music and music education.”

Mr. Morrison added, “We are fortunate to have Karen VanDerBosch to assume the CEO duties on an interim basis in addition to continuing her duties as COO and CFO. Her nearly six years as an integral part of MakeMusic’s senior management team will enable us to move forward seamlessly with both our product innovation strategy as well as our daily operations until a new CEO is named.”

**About MakeMusic, Inc.**

MakeMusic®, Inc. is a world leader in music technology whose mission is to develop and market solutions that transform how music is composed, taught, learned and performed. For more than 20 years, **Finale**® has been the industry standard in music notation software, enabling composers, arrangers, musicians, teachers, students and publishers to create, edit, audition, print and publish musical scores. MakeMusic is also the creator of **SmartMusic**® education software that is transforming the way students practice. With SmartMusic, students and teachers have access to thousands of band, orchestra and vocal pieces allowing students to practice with background accompaniment and get immediate feedback on their performance. SmartMusic allows teachers to individualize instruction and document the progress of every student. The **SmartMusic Inbox**™, an Android™ and Apple® mobile application, provides additional access for teachers to review, grade and comment on student assignments. **MusicXML**™ is an Internet-friendly way to publish musical scores, enabling musicians to distribute interactive sheet music online and to use sheet music files with a wide variety of musical applications. **Garritan**™ sound libraries provide musicians with state-of-the-art virtual instruments with the playback quality of a live performance.
