Date of Last Revision: May 05, 2021

## IMPORTANT - READ THIS AGREEMENT

This End User License Agreement (the "Agreement") is a binding agreement between MakeMusic, Inc. ("MakeMusic") and you.

**YOU AGREE TO BE BOUND BY THIS END USER LICENSE AGREEMENT THROUGH YOU INSTALLING FINALE ON YOUR DEVICE. IF YOU DO NOT AGREE TO THE TERMS AND LIMITATIONS OF THE AGREEMENT, YOU MAY NOT INSTALL OR USE THE SOFTWARE.**

A copy of this Agreement can be found at <https://www.makemusic.com/terms-conditions/>. From time to time, MakeMusic may change the terms in the Agreement. When the terms are changed, MakeMusic will post a notice online. The changes also will appear in this document, which you can access at any time through <https://www.makemusic.com/terms-conditions/>.

MakeMusic is licensing a specific major version of the FINALE® software program, including but not limited to (a) all software files and other computer information, (b) any proprietary scripting logic, (c) musical content, resource files and templates, (d) fonts, and (e) any updates and improvement to the version you originally downloaded (collectively, the "Software") and all related documentation materials ("Documentation") to you on the following terms and conditions:

**1. GRANT OF LICENSE.** In consideration of the license fee you paid for this product, MakeMusic grants you, as licensee, a worldwide, limited, revocable, non-exclusive right to install, reproduce, and use the Software and Documentation on two (2) operating systems under the terms and limitations of the Agreement, either one operating system each on two different computers or two operating systems on a single computer.

However, a supplemental Site License Agreement may strictly limit use to the number of computers specified on that agreement. If the serial number associated with your license has been registered under individual ownership, you are the sole authorized user of the Software on those computers authorized under your license agreement. If the serial number associated with your license has been registered under organizational ownership, your organization must designate a sole authorized user.

For individual licensees, the Agreement is the complete and exclusive agreement between you and MakeMusic relating to the Software. A supplemental Site License Agreement may also be in effect for some licensees. The Agreement along with the supplemental Site License Agreement shall be interpreted under the laws of the State of Colorado applicable to contracts made in Colorado.

**2. LICENSE FEE.** In consideration for your licensed use of the Software, you agree to pay the license fee for accessing and using the Software. The current standard retail and academic license fees are listed during check out and are available at <https://store.makemusic.com/>.

**3. OWNERSHIP.** The Software and accompanying documentation materials may also be protected under federal copyright and other intellectual property laws. Unauthorized copying or use of the Software beyond the scope of the Agreement is expressly forbidden. You may be held legally responsible for any copyright infringement or infringement of any other intellectual property right that is caused or encouraged by your failure to abide by the terms and conditions of the Agreement. The Agreement is NOT a sale of the Software. MakeMusic retains all ownership and rights in the Software, including all rights in any portion(s) of the Software present in any output of the Software.

**4. USE RESTRICTIONS.** As an individual licensee, you may physically install the Software on two (2) operating systems as defined in Section 1 (Grant of License). Site License licensees may install the Software on only the number of computers allowed in the supplemental Site License Agreement. As an individual licensee, you may not install or use the Software on a network, more than two (2) computers, multiple site arrangement, or any other hardware configuration where the Software is accessible to more than one computer or to more than one user at a time. - modify or make derivative works based upon the Software;

- share user licenses as each user must register with the Software;
- use the Software in any unlawful manner or in any other manner that could damage, disable, overburden or impair the Software;
- transmit, share or otherwise make available any material that contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment; or
- transmit, share, store or otherwise make available content that would constitute,

**5. TRANSFER RESTRICTIONS.** You may not transfer, assign, sell, or otherwise dispose of this license to the Software on a permanent basis without the written permission of MakeMusic. Should MakeMusic grant such permission, you will be required to (a) pay a Transfer Fee in effect at the time of the transfer, (b) relinquish all authorizations and copies of all versions of the Software associated with the transferred serial number, and (c) upgrade to the most current major version of the Software if not already licensed. In no event may you rent, lease, grant sublicenses or any other rights in the Software to others on a temporary basis, including renting the Software and computer together to other users. License transfer is only available for Retail licenses of the Software; the Academic/Theological edition of FINALE® is non-transferable.

**6. FEDERAL AND STATE LAWS.** When using the Software, you represent and warrant you will obey and comply with all applicable federal, state and local laws.

**7. TERMINATION.** The Agreement is effective upon installation of the Software and remains in effect until expiration of all copyright interests in the Software, unless earlier terminated. The Agreement shall terminate automatically without notice from MakeMusic if you fail to comply with any of the terms or limitations of the Agreement. Upon termination you must return all copies of the Software to MakeMusic. MakeMusic may terminate your license to the Software upon your breach of this EULA.
